RESOLUTION.

1. Arrears:

(a) According to the D.C.B. Statement for February 1948 the arrear demand at the beginning of the Fasli 1357 was Rs. 17,12,580 or Rs. 1423/- more than that shown in the Statement for January 1948. The variation occurs in Kistna (-1) Tanjore (Plus 1503), Tinnevelly (-80) and Coimbatore (Plus 1). The variation in Tanjore District has not been explained by the Collector. The variation in Tinnevelly is due to revised demand shown by the Revenue Divisional Officer, Sermadevi. The discrepancies in Kistna and Coimbatore are due to rounding of figures.

Taking the above alterations into account the balance outstanding at the end of January 1948 works out to Rs. 17,12,580/-. During the month of February 1948 a sum of Rs. 10,90,636 was collected and the progressive total of amount written off is Rs. 28,942/- (Rs. 3,185 were written off the accounts during the month) thus leaving a balance of Rs. 5,93,902/-. Out of this balance (i) Rs. 5,835 were collected or adjusted after the close of the treasury month (ii) Rs. 2,54,412 are covered by orders of suspension or postponement and (iii) Rs. 98,028 are considered irrecoverable or of doubtful recovery. The collectable balance was Rs. 2,35,627 at the end of February 1948. Particulars of the arrear balance by faslis are given in the following statement.

Vide Statement No. I.

The several stages in the collection of these arrears are shown in the following statement.

Vide Statement No. II.

(b) Suspension or postponement of collection otherwise than under the orders of Civil Courts covers an amount of Rs, 2,12,716. It occurs in the Districts of East Godavari, Tanjore, South Kanara, Chittoor, Vizagapatam, Nellore and Madura. The balance in East Godavari is Rs. 1,22,503/- that in Tanjore is Rs. 69,671/- and that in South Kanara is Rs. 10088/-. The position in regard to these amounts is the same as was explained in the Board's ~~[illegible]~~ in review for January 1948- B.P. Rt. No. 1216, dated 2/3/48. The balance in Chittoor is Rs. 6210/- and no particulars for this amount have been given by the Collector. The balance in Vizagapatam (Rs. 1850) is due from estates which have been granted time for payment of Government dues. The balance in Nellore (Rs. 1315) related to Kodavalur and its collection was stayed by the Collector and the balance in Madura (Rs. 1079) represents the arrear on lands in Ayyan-Pappagudy village which have been taken up for aerodrome purpose. The proposal to write off the amount is pending with the

Collector. He should take action to write off the amount without delay.

The suspension of collection under the orders of Civil Courts covers an amount of Rs. 41,696 of which Rs. 40,556 relates to East Godavari, Rs. 874/- relates to Tanjore and Rs. 266/- to Madura. The psition regarding the collection of these amounts remains unchanged as explained in Board's review (Routine 1216, dated 2/3/48).

(c) The amount under enquiry and correspondence is very heavy in Vizagapatam and heavy in East Godavari and Guntur. The position as explained in the Board's last review (B.P. Rt. 1216, dated 2/3/48) remains unchanged. The Collectors concerned and particularly the Collector of Vizagapatam should take steps to clear off the arrears.

(d) Under the head "Due on estates under attachment etc." the balance in Vizagapatam is Rs. 19,958/- and in Anantapur is Rs. 379/- The Collector of Vizagapatam has instructed the Tahsildars of Chipurupalli and Palakonda to proceed against the properties of the proprietrix under the provisions of the Revenue Recovery Act and collect the balance before the end of March 1948. The balance in Anantapur is due from two minors' properties and the Collector has instructed the Tahsildars concerned to induce the guardians to pay off the arrears.

(e) Coercive processes have been issued for the collection of Rs. 1,66,931/- as shown below:---

Arrears covered by Demand Notice No. 1.	Rs.1,33,612/-
" covered by processes 2 and 3 (moveable properties have been distrained or notified or sale).	4,940/-
" covered by Demand Notice 4.	9,388/-
" covered by processes 5 and 7 Land has been attached or notified for sale.	18,991/-
	1,66,931/-

A very large amount is covered by demand notice No. 1 which indicates that collection work is not being tackled energetically. Nellore is worst in this respect and East Godavari is also bad. All Collectors, particularly the Collectors of Nellore, East Godavari and Bellary should issue instructions to their subordinate officers totake further steps prescribed in the Revenue Recovery Act, without delay. The balance covered by all processes is heaviest in Nellore and heavy in East Godavari.

(f) The amounts under "Other items" are heavy in Malabar (Rs. 5116) which relates to the escheated lands of Koothali Nayer's Estate.

(g) The balance under the head "considered irrecoverable or of doubtful recovery" is still very heavy in East Godavari (Rs. 90,006 The Collector should take immediate action to write off this amount if recovery is not possible.

(h) The balance in East Godavari under the head "Adjustable from over payment etc. but not yet adjusted" is Rs. 2250/-. The balance shown last month under this head was Rs. 1452/-. There is no sign of any adjustment having been carried out promptly. The Collector should see that the balance for the next month under this head is cleared. Other Collectors having balances unadjusted till now should take prompt action to adjust them expeditiously.

II. Curfent.

(a) The current demand upto the end of Febrary 1948 was Rs. 4,47,02,001/- as against Rs. 4,59,77,750/- at the corresponding period of last fasli.

The following is the comparative statement of demand collection and balance.

Month and year.	Demand.	Collection.	Percentage of collection.	Balance.	Percentage of balance excluding suspended amount.
	Rs.	Rs		Rs	
Feb. 47	45977750/-	42005545/-	91.4	3972173	8.0
Feb. 48.	44702001/-	38759601/-	86.7	5942400	9.7

Of the balance of Rs 59,42,400/- a sum of Rs. 7,15,739/- was collected after the close of the treasury month while Rs. 16,27,978/- are shown as covered by orders of suspension or postponement. The net collectable balance is thus Rs. 35,98,683/-.

The statement below shows in detail the demand, collection and balance of the current kist and the proportion of the balance to the demand in the several districts.

Vide statement No. III.

(b) Heavy balances exceeding a lakh of rupees were outstanding at the end of the month in the districts of Vizagapatam, East Godavari, Kistna, Guntur, Nellore, Cuddapah, Anantapur, Kurnool, Chittoor, North Arcot, Madura, Ramnad, Tinnevelly and Malabar. Large sums have, however, been collected after the close of the treasury month in Guntur, East Godavari, Cuddapah and North Arcot. There are still large amounts not covered by any process in East Godavari, Guntur and Malabar though the Board in its Review Rt. 1216 dated 2/3/48 drew the attention of the Collectors. As this is the kis season, the Collectors are requested to carefully watch the progress of collection and take suitable steps to see that their subordinate officers realise the entire collectable balances speedily.

(c) Percentage of balance. The percentage of balance excluding the suspended amount at the end of the month works out to 9.7 as against 8.0 at the end of February 1947. Deterioration in collection is recorded in all the districts except West Godavari, Guntur, Bellary, Madras, South Arcot, Coimbatore, Nilgiris and South Kanara. The percentage of balance still continues to be very high in Nellore, Anantapur, Chingleput and Malabar. The percentage of balance is Chingleput is as high as 55.3. The Collector has taken notice of this heavy balance and has issued suitable instructions to his subordinate officers to speed up collection. The other Collectors also should be very vigilant and should take every possible step to collect the entire demand.

IIf . Punctuality. The D.C.V, Statements and Review were received in time (i.e.on or before 12/3/48) from the Collectors of West Godavari, Madras, Chittoor, Tanjore, Trichinopoly, Madura, Ramnad and the Nilgris and the statements alone were received from the Collectors of Nellore and Tinnevelly. All the other Collectors did not submit their statement on the due date. The statement and rev review from the Collector of Vizagapatam were received after 20/3/48 and those from the Collector of Guntur were received so late as 25/3/48 The enslosures A and B to the D.C.B statement from the Collector of Malabar were received only on 30/3/48 after the issue of a third reminder by a telegram on 22/3/48. The Board in its review Rt. 1216 dated 2/3/48 has already asked the Collectors of Vizagapatam, East Godavari and Guntur to take action against the subordinate officer responsible for the delay in the submission of the D.C.B. Statement. The Collectors have not reported the action taken against the subordinate responsible for the delay. It should be done now. The Collector of Malabar will enquire into the cause of delay in sending the enclosures A and B to the D.C.B statement and take suitable action against the person responsible for this abnormal delay and report the fact to the Board. All the other Collectors should se that this important return is submitted to the Board in time in future. The Collector of Guntur submitted his statements late continuously for January, February and March 1948 (i.e. on 22/1/48, 24/2/48 and 25/3/48), though the defect was pointed out to him in every review.
